

Democrats in Senate District 8 Using Technology to Target Primary Voters

What does a candidate do if he or she is running in a state Senate district that has more than 113,000 residents, has little campaign cash and is trying to identify maybe 1,500 folks who may vote in their minority party primary?

School is Still On

I ran into one of my dear friends from law school six or seven years after graduation. He still worked for the same old-line firm he had started with, as "bag carrier" for a senior attorney. With no sarcasm, he smiled and said, "School's still on." His answer intrigued me. He was telling me that he was learning from some of the state's best trial attorneys, and that takes patience and humility....

Now that Mitt Romney has clinched the GOP nomination, speculation is turning to who would fill his cabinet if he wins in November. Former Governor Mike Leavitt has been named to head up his transition team. We asked our political insiders how much fallout Romney would get from naming other Mormons to top posts in his administration.
